GET INSURED TODAY!

Your time, life, home, car, furniture
etc., have a money value.
Why take chances of loss to your-
self or family?

Call, write or telephone now—do not
put it off till next week, it may be too
late then.

Companies of which I am agent are
licensed by the state of Vermont and
are safe, low rates.

ROBY ALLEN JONES

Agent for accident, sickness, house,
furniture, automobile, life, endowment,
insurance policies, also write applica-
tion for membership in Modern Wood-
men of America.

223 Safford St. Tel. 336-W.

Your Car Needs Washing

So do most cars. The car that is frequently washed
not only presents a better appearance but it retains its
selling value much longer than the car that is neglected.
When you permit your car to go without washing you are
losing money. Frequent washing is good economy. We
have all the facilities for washing cars and are prepared
to give the best of service.

Today's-Events

Today is the festival of Corpus Christi.

The 112th anniversary of the birth of Jefferson Davis will be observed throughout the South today.

The twentieth anniversary of the Rt. Rev. Benjamin J. Keiler as Catholic bishop of Savannah is to be observed in that city today.

The First Infantry, the oldest regiment in the U. S. Army, organized June 2, 1784, is to celebrate its 136th anniversary today at Camp Lewis, Tacoma.

Democrats of New Mexico are to meet in State convention at Roswell today to select 20 delegates to the national convention at San Francisco.

The 20 delegates who will represent Louisiana in the Democratic national convention are to be chosen at a gathering of the party leaders in Baton Rouge today.

Organization of all engineering societies and associations in the United States into one representative engineering body is the object of a conference to be held in Washington, D. C. today.

At Belleville, Ontario, today Lieut. Gen. Sir Sam Hughes, former minister of Militia of Canada, is to turn the first sod for a new Soldiers' Memorial home.

A Canadian Industries Exhibition is to be opened in London today with a view to bringing before the chief importers of Great Britain and Europe some of the industrial products of Canada.

The 55th birthday of King George V. will be observed throughout the British empire today, although the official celebration of the anniversary in the United Kingdom will not be held until Saturday.

Maj. Gen. Sir Charles V. P. Townshend, hero of Kut-el-Amara, is to receive the honorary degree of Doctor of Laws from the University of Toronto, at a special convocation today.

"Junk week" at the United States Naval Academy, Annapolis, will culminate today in the graduation of the senior class at that institution.

The superdreadnaught Tennessee, the largest battleship built for the United States Navy, will be placed in commission at the New York Navy Yard.

The Cathedral of St. John the Baptist, at Savannah, one of the finest Catholic church edifices in the South, will be consecrated today with imposing ceremonies.

"In the Day's News."

Rt. Rev. Benjamin J. Keiler, whose twentieth anniversary as bishop of the Roman Catholic diocese of Savannah is to be observed in the Georgia city today, is one of the best known prelates of the church in the South, not only for his learning, his eloquence and his abilities as an administrator. Bishop Keiler was born seventy-three years ago, in Petersburg, Va. After completing his preparatory training he went to the American College in Rome, where he received his theological education and was ordained to the priesthood in 1873. After his return to America he filled pastorates in New Castle and Wilmington, Delaware, until 1886, then at Atlanta, until 1896, and after that at Savannah, where he was pastor of a church until 1900, when he was consecrated bishop of the diocese by Cardinal Gibbons.

Today's Anniversaries.

1611—Lady Arabella Seymour escaped from confinement in the Tower of London.

1808—Jefferson Davis, President of the Confederate States of America, born in Christian County, Ky. Died in New Orleans, Dec. 6, 1889.

1820—Winthrop Sargent, Revolutionary patriot and governor of the Mississippi Territory, died at New Orleans. Born at Gloucester, Mass., May 1, 1753.

FROM FORTY-FIVE TO SIXTY

A Word of Help to Women of Middle Age From Mrs. Raney.

Morse, Okla.—"When I was 45 years old Lydia E. Pinkham's Vegetable Compound carried me through the critical period of the Change of Life in safety. I am over 60 and have raised a family of eight children and am in fine health. My daughter and daughters-in-law recommend your Vegetable Compound and still take it occasionally myself. You are at liberty to use my name if you wish."—Mrs. ALICE RANEY, Morse, Oklahoma.

Change of Life is one of the most critical periods of a woman's existence. This good old-fashioned root and herb remedy may be relied upon to overcome the distressing symptoms which accompany it and women everywhere should remember that there is no other remedy known to carry women so successfully through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

A Demonstration

of the

Domestic Science Fireless Cooker

Commencing Tuesday, June 1, 1920

At the **BOSTON STORE**

North Adams, Mass.

A Lady Demonstrator from the factory will give practical demonstrations of cooking with the Domestic Science Fireless Cooker. Remember the date, commencing Tuesday, June 1, and will continue for several days.

The Public is cordially invited to visit our store during this demonstration and see food cooked by using the Domestic Science Cook Stoves, as a proof of its practicability.

GUARDING THE HOME

100 per cent Quality Product

Investment in a Domestic Science Fireless Cook Stove pays 80 per cent dividends in fuel and food economies. The satisfaction of knowing you have the utmost in convenience, workmanship and scientific design accompanies every Domestic Science Fireless Cook Stove—for instance, the aluminum lining in the Domestic Science is several times thicker than the aluminum lining used in other cookers.

Automatic Cooking

Is what you get when using a Domestic Science Cook Stove—saves you money—saves you time—saves you food. Demonstration Commences June 1st, Tuesday Morning.
